**EXPERIENCE**

**Academic, Communications, and Research Appointments**

MUP Program Coordinator and Graduate Advisor  
Department of Landscape Architecture and Urban Planning  
College of Architecture, Texas A&M University  
January 2005 - present

The first task was writing the Self-Study Report, which was finished in June 2005. The Board reviewed the report and sent a critique; I responded. Then in March 2006 the Site Visit Team arrived. Preparations for this took quite a bit of time during the previous month. Other duties include teaching PLAN 658 Implementation, PLAN 662/3 Applied Planning, advising students, working with the alumni/practitioner advisory council, doing admissions and aid awards, chairing meetings of the MUP Advisory Committee/overseeing their work on curriculum reform and strategic planning efforts, and most of all, conducting an extensive recruiting effort (see attached list).

MCRP Program Coordinator and Graduate Advisor  
School of Urban and Public Affairs  
University of Texas at Arlington  
September 1999 – December 2004

- \* Since 1999 the CIRP program experienced more than 100% growth in enrollment, one of the highest increases at UTA; it is now SUPA's biggest degree program.
- \* Received the first Faculty Recruitment Ambassador Award by UTA's Graduate Recruitment Advisory Board for outstanding achievement in advising.
- \* Duties included, but were not limited to:
  - scheduling all CIRP classes;
  - advising all new and graduating students;
  - working with applicants and making admission recommendations;
  - recruiting applicants;
  - finding qualified adjunct faculty;
  - developing and managing the Certificate in Development Review;
  - developing a three-year course schedule and writing catalog copy;
  - developing forms and handouts for inquirers;
  - monitoring enrollment and following up on dropouts;
  - meeting regularly with faculty to set and achieve program goals;
  - polling students for recruitment and curriculum effectiveness information;
  - working on PAB accreditation;
  - coordinating with other advisors on dual degrees, etc.;
  - chairing the SUPA Scholarship Committee;
  - representing SUPA on the Environmental Science Graduate Studies Committee;
  - working with the CIRP Advisory Board;
  - maintaining email lists of students and alumni;
  - arranging exhibits and receptions at conferences; and
  - assisting with development and approval of a PhD proposal in planning.

Professor  
 School of Urban and Public Affairs  
 University of Texas at Arlington  
 September 2003 – December 2005

Associate Professor, September 1995 – August 2003

Assistant Professor, September 1988 - August 1994

Associate Professor (visiting--1993)  
 Department of Environmental Science and Planning  
 Sonoma State University, Rohnert Park, California

Research Associate and Principal Investigator  
 Environmental Institute for Technology Transfer  
 University of Texas at Arlington  
 January 1990 - October 1991

### **Professional Practice**

1972-1988: Worked in a variety of planning and design positions for state, federal, regional and local government. Also ran a private consulting firm, Bright Associates.

1988-present: Completed many design and planning projects for communities throughout the state, in my capacity as teacher of the program's studios. A partial list of these projects is found in this vita under "Grants and Funded Projects."
